Request Summary (Agenda Caption):

Request for approval of a memorandum of understanding between Harris County and the Houston Housing Collaborative for development of a regional comprehensive community action plan and housing strategy.

Background and Discussion:

The My Home is Here 10-year Needs Assessment and Strategy, completed in 2021, found that nearly 500,000 Harris County residents are cost-burdened as it relates to housing costs, per the U.S. Department of Housing and Urban Development’s definition. In order to address the various causes that contribute to this issue, the study provided various recommendations, including a recommendation to have partners collaborate to foster a comprehensive, affordable housing system. Following this recommendation, the Houston Housing Collaborative (“the Collaborative”) and HCCSD have agreed to work together on a comprehensive community action plan and housing strategy.

The purpose of the MOU is to: (1) promote regional collaboration among parties to address housing needs for identified demographic groups; (2) serve as a resource for various stakeholders by researching and providing information regarding topics related to increasing access to affordable housing; and (3) leverage the My Home is Here study to inform Collaborative members and work towards the development of a funded initiative that supports the creation of a regional comprehensive community action plan intended to increase the supply of affordable housing options and economic drivers in unincorporated Harris County.

Expected Impact:

This MOU will set the foundation of the partnership between HCCSD and the Collaborative as it relates to the development of a regional comprehensive community action plan and housing strategy. This plan and strategy will promote cooperation among regional housing stakeholders, thereby improving the region’s access to affordable housing. No fiscal impact to the County is anticipated.

Alternative Options:

Not moving forward with this MOU will hinder cooperation among HCCSD and the Collaborative in their mission to improve access to affordable housing.
