Background and Discussion:

The Misdemeanor Veterans Court program seeks to divert veterans from the traditional criminal justice system to an alternative to incarceration program that addresses their specific needs. The court team works to address mental health, traumatic brain injuries, PTSD, substance abuse and other health issues and aims to rehabilitate veterans and active service members that suffer from mental illness, mental disorders, traumatic brain injury, homelessness and/or substance use disorder due to military service, which was a contributing factor in their misdemeanor criminal offense. The proposed budget includes funds for one case manager, to

be provided through a sub-recipient agreement with the Harris County Community Supervision & Corrections Department, with no match requirement.
