Request Summary (Agenda Caption):

Request for approval to execute a Service Outlet Location Statement for installation with CenterPoint Energy, and to authorize the County Auditor to pay monthly bills for Crosby Township Municipal Utility District Drainage Improvements - 2018 project at 630 Franta Street, Crosby, TX 77532, to include all deposits/fees for utility services, UPIN 19102MF12Q01, Precinct 3.

Background and Discussion:

CenterPoint requires a signed Service Outlet Location Statement for new a service. The new service is being provided to accommodate CenterPoint relocating power poles out of the proposed drainage easement the County has acquired to allow the drainage easement to be cleared. This facilitates PCT 3 being able to take over the maintenance of the drainage easement.

Expected Impact: If this agreement is not moved forward the project it supports cannot begin.

Alternative Options: There are no alternate options as CenterPoint is the one and only entity we can deal with in these matters.

Alignment with Goal(s):

- ☐ Justice and Safety
- ☐ Economic Opportunity
- ☐ Housing
- ☐ Public Health
- ☐ Transportation
- ☐ Flooding
- ☐ Environment
- ☒ Governance and Customer Service
