Request Summary (Agenda Caption):

Request for approval to execute an agreement with HTS, Inc. Consultants in the amount of \$127,210.50 for Professional Engineering Services for Construction Materials Testing and related Services to construct Fallbrook, Ridgepoint and Westpoint Subdivisions Drainage improvements, UPIN 19104MF13401, Precinct 2, MWDBE Contracted Goal 100%.

Background and Discussion:

Construction of underground drainage utilities and reconstruction of driveways and roadway in the Fallbrook, Ridgepoint and Westpoint Subdivisions.

Expected Impact:

Constructing underground utilities and reconstructing the roadway will improve drainage and paving conditions, thereby improving mobility and safety for all road users and flood resiliency for all adjacent properties. This agreement will allow the firm to conduct field and laboratory testing on soil, concrete, asphalt and various other construction materials. This testing will ensure the material's compliance with Harris County Engineering and other governing bodies specifications as required by state law.

Alternative Options:

Construction materials testing is required by state law. Thus, alternatives include executing an agreement for similar services to a different vendor or cancelling this construction project.
