Request Summary (Agenda Caption):

Request for approval to negotiate an agreement with Gratia Geomatics, LLC, to provide surveying services as may be needed in support of the Flood Control District's engineering and maintenance programs in Precinct 4.

Background and Discussion:

The survey support services will be utilized in Precinct 4 allowing us to increase the Flood Control District's ability to complete land survey support for various projects.

Expected Impact:

The Flood Control District will utilize the survey support service to provide land surveying support to all projects throughout Precinct 4 as needed.

Alternative Options:

The alternative to approval of this request is to either submit a request for another consultant, which would

delay the effort, or for Flood Control District staff to perform the effort, which would take staff away from other efforts.
