Request Summary (Agenda Caption):

Request for approval to update the appointment of the ADA Coordinator for Harris County to the Executive Director of Human Resources & Risk Management or their designee.

Background and Discussion:

In accordance with Title II of the Americans with Disabilities Act (ADA), state and local governments with 50 or more employees are required to designate at least one employee who is responsible for the coordination of ADA compliance. The coordinator serves as the point of contact for individuals with disabilities to request auxiliary aids and services, policy modifications, and other accommodations or to file a complaint with the entity; for the general public to address ADA concerns; and often for other departments and employees of the public entity. Due to the recent resignation of the ADA Coordinator within Human Resources & Risk Management, this request is to assign the role to the Executive Director or their designee.

Expected Impact:

The Harris County ADA Coordinator is responsible for coordinating Harris County's efforts to comply with federal law, which includes handling ADA complaints regarding the accessibility of any Harris County program, service, facility, or benefit for qualified individuals.
