Request Summary (Agenda Caption):

Request for approval to reject the bids received for wireless communication tower equipment, maintenance and related services for Universal Services, and that the project be readvertised at a later date with revised specifications (220123).

Background and Discussion:

This is an advertisement for support and maintenance of wireless communication towers. The Harris County wireless communication network is critical infrastructure and operates 24 hours a day, 365 days a year. Maintenance and support service level agreements must reflect these parameters. Harris County Universal Services (U.S.) is responsible for wireless tower site equipment purchases, installations and maintenance. U.S. will purchase equipment on an as needed basis. Exact installation locations and specifications will be provided to the awarded vendor or vendors on an as needed basis. All locations are across Harris County and surrounding counties.
