Request Summary (Agenda Caption):

Request by the Sheriff's Office for approval to submit an application to the United States Department of Justice for grant funds in the amount of \$100,000, with no required match, for the FY 2023 Virtual Reality Training Equipment Program.

Background and Discussion:

This grant will enable the Harris County Sheriff's Office to purchase virtual reality training equipment to better prepare personnel for responding to calls for service involving de-escalation and crisis intervention situations. The equipment will also improve the way detention staff respond to incarcerated individuals experiencing a mental health crisis. Funding for this project was included as an earmark appropriation in the FY 2023 federal budget.

Expected Impact:

This grant will enable the Sheriff's Office to better train law enforcement and detentions personnel.

Alternative Options:

If we do not apply for this grant we would forfeit the opportunity to receive funding for virtual reality training equipment.
