Justification for 0% MWDBE Participation Goal: N/A - Goal not applicable to request

Request Summary (Agenda Caption):

Request for approval to decree that the Harris County Flood Control District project serves a public purpose and public necessity, which requires that the Harris County Real Property Division be directed to transact the funds remaining for the City of La Porte to release the road right-of-way for the Brookglen Stormwater Detention Basin Project - Phase 1 North Compartment, for the purpose of providing stormwater detention. (Armand Bayou Watershed, Bond ID C-06, Project ID B512-02-00-E001, Precinct 2).

Background and Discussion:

This 0.844-acre tract consists of roads named Gladwyne Lane and Gladwyne Court that need to be released by the City of LaPorte to construct the detention basin, which will provide approximately 16.95 acre-feet of stormwater detention storage volume.

Expected Impact:

The objective of this project is to maximize the stormwater detention volume storage and help to reduce the risk of flood damage around the Brookglen Subdivision in the Armand Bayou Watershed. Additionally, the 100-year flood plain will be reduced by 4.63 acres and 13 structures will be removed from the 100-yr floodplain.

Alternative Options:

Do not acquire the land. This would prevent the Flood Control District from being able to construct the basin and reduce flood risk in the area.

Alignment with Goal(s):

- Justice and Safety
- Economic Opportunity
- Housing
- Public Health
- Transportation
- Flooding
- Environment
- Governance and Customer Service

Prior Court Action (if any): N/A

Date	Agenda Item #	Action Taken

Location: Project is bounded by Spencer Highway to the north and Willow Spring Creek (HCFCD Unit No. B112-00-00) to the west, Fairmont Pkwy to the south and Canada Road to east.

Address (if applicable):

Precinct(s): Precinct 2
