Request Summary (Agenda Caption):

Request for approval of a renewal option with Environmental Southwest for turf establishment, vegetation promotion, and mowing for the Flood Control District for the period of June 1, 2024 - May 31, 2025, at a cost of \$789,312, and for the County Clerk to execute any applicable bonds to be received (230064), MWDBE Contracted Goal: 10%, MWDBE Current Participation: 10%.

Background and Discussion: Turf establishment contracts are utilized to support the construction efforts of Harris County Flood Control District. By providing seeding and other vegetation promotion cultural practices following construction, the District can produce a resilient perennial stand of grass, that helps reduce erosion, and fulfills permit requirements.

Expected Impact: Awarding this contract will allow the District to provide the services needed to support

construction and repair projects throughout Harris County. These services include seeding, fertilization, hydro mulch applications, soil amendment applications, and mowing of channels and basins.
