**Background and Discussion:**

The County executed an agreement for Professional Engineering Services with HR Green, Inc. in 2015 and now seeks to amend the agreement for a seventh time. This amendment will facilitate the re-design of a standard four (4) lane concrete boulevard in 100-foot ROW with a 32-foot raised median and underground storm sewer system for the updated limits from 700' north of Ezekiel Road to approximately 400' north of Boudreaux Road.

**Expected Impact:**

This action will allow the firm to incorporate the necessary design changes for the update project limits.

**Alternative Options:**

The alternative is to not revise the plans, and the plans will not be compatible with the needs of the updated project limits.
