**Request Summary (Agenda Caption):**

Request for approval of commercial paper funding for the Commissioner of Precinct 2 for the Updating Aging Transportation Fleet and Equipment project in the amount of \$1,250,000.

**Background and Discussion:**

Commercial Paper Series D-3 can be used for (1) construction of public works, (2) the purchase of automobiles, equipment and machinery, including computers, materials and supplies for the operation of the County’s precincts and departments (3) Professional services, including services provided by engineers, architects, attorneys, auditors, financial advisors, and fiscal agents, in connection with the contractual obligations described in (1) and (2).

Commercial Paper is being requested for the Updating Aging Transportation Fleet and Equipment project and is expected to be repaid within the next three fiscal years either through bonds, budgetary means or pay-as-you-go sources. This is for approval for allocation of commercial paper for a previously approved

project within the previously authorized amount.

HB 1869 compliance confirmed by: Paige Abernathy, Assistant County Attorney, January 4, 2024.

**Expected Impact:**

The proposed fleet update is essential in fulfilling our mission to promote social and physical activity among senior citizens, enabling them to remain active and valuable contributors to their communities. By facilitating regular engagement, we strive to combat isolation within the elder population and reduce the prevalence of loneliness and depression.

**Alternative Options:**

Alternatives to consider include outsourcing these services to a third-party vendor or opting for a bus leasing arrangement. However, we firmly believe that acquiring new buses is the optimal choice. Outsourcing or leasing may incur higher costs and operational expenses for our transportation department. Additionally, not procuring these new buses and service vehicles could jeopardize our ability to offer dependable and safe transportation for constituents during field trips and events, hindering their participation in these activities.
