**Request Summary (Agenda Caption):**  
 Request for approval to execute a Service Outlet Location Statement for installation of an electric meter with CenterPoint Energy, LLC and authorize the County Auditor to pay monthly bills for 20460½ Aldine Westfield Road, Humble, TX 77338 (Intersection of Aldine Westfield Road and W W Thorne Boulevard) for electrical power serving a traffic signal, UPIN 23101MF2S701, Precinct 1.

**Background and Discussion:**  
 Rebuilding the traffic signal at intersection of Aldine Westfield Road and W W Thorne Boulevard is a project that aims to enhanced traffic movements at the existing intersection. The service outlet location statement is needed to establish electrical service from CenterPoint Energy to power the traffic signal.

**Expected Impact:**  
 Approval of the service outlet location statement will allow CenterPoint Energy to establish electrical service

to the traffic signal, which is needed to enhance the operation of the intersection of Aldine Westfield Road and W W Thorne Boulevard.

**Alternative Options:**

All Traffic Signals require a power source, which is typically obtained through CenterPoint Energy. Alternative options are to place a generator, which is not reliable, or to not install traffic signals at the intersection. Both options will negatively impact operations and increase delay of the intersection.

**Alignment with Goal(s):**

- Justice and Safety
- Economic Opportunity
- Housing
- Public Health
- Transportation
- Flooding
- Environment
- Governance and Customer Service
