**Justification for 0% MWDBE Participation Goal:** N/A - Goal not applicable to request

**Request Summary (Agenda Caption):**  
 Request for approval to execute a Service Outlet Location Statement for installation of an electric meter with CenterPoint Energy, LLC and authorize the County Auditor to pay monthly bills for 102½ Galena Manor Drive, Galena Park, Texas 77547 (intersection of Galena Manor Drive and Clinton Drive) for electrical power serving a traffic signal, UPIN 23102MF2QW01, Precinct 2.

**Background and Discussion:**  
 Traffic Signal- Clinton Drive at Galena Manor Drive is a project to enhance traffic movements at the existing intersection. The service outlet location statement is needed to establish electrical service from CenterPoint Energy to power the new traffic signal.

**Expected Impact:**  
 Approval of the service outlet location statement will allow CenterPoint Energy to establish electrical service

to the traffic signal, which is needed to enhance the operation of the intersection of Clinton Drive at Galena Manor Drive.

**Alternative Options:**

All traffic signals require a power source, which is typically obtained through CenterPoint Energy. Alternative options are to place a generator, which is not reliable, or to not install a traffic signal at the intersection. Both options will negatively impact operations and increase the delay of the intersection.

**Alignment with Goal(s):**

- Justice and Safety
- Economic Opportunity
- Housing
- Public Health
- Transportation
- Flooding
- Environment
- Governance and Customer Service
