Request Summary (Agenda Caption):

Request for approval to execute a Service Outlet Location Statement for installation of an electric meter with CenterPoint Energy, LLC and authorize the County Auditor to pay monthly bills for 9430½ North Eldridge Parkway, Houston, TX 77065 (intersection of North Eldridge Parkway and Fetlock Drive) for electrical power serving a traffic signal, UPIN 23035MF2NK01, Precinct 3.

Background and Discussion:

Traffic Signal - North Eldridge Parkway at Fetlock Drive is a project to enhance traffic movements at the existing intersection. The service outlet location statement is needed to establish electrical service from CenterPoint Energy, LLC to power the new traffic signal.

Expected Impact:

Approval of the service outlet location statement will allow CenterPoint Energy, LLC to establish electrical

File #: 24-1600, Version: 1

service to the traffic signal, which is needed to enhance the operation of the intersection of North Eldridge Parkway at Fetlock Drive.

Alternative Options:

All traffic signals require a power source, which is typically obtained through CenterPoint Energy, LLC. Alternative options are to place a generator, which is not reliable, or to not install a traffic signal at the intersection. Both options will negatively impact operations and increase the delay of the intersection.

Alignment with Goal(s):

Justice	and	Safety
Jastice	ullu	Juict

- _ Economic Opportunity
- Housing
- Public Health
- X Transportation
- _ Flooding
- _ Environment
