Request Summary (Agenda Caption):
 Request for approval of a court order to exempt fees for security devices in county right of way for use by government entities.

Background and Discussion:
 Currently, all security devices permitted in county right of way are assessed a fee. Use of these devices by government entities improves the safety for the general public and should not be charged for permitting them in county right of way.

Expected Impact:
 The fee exemption will only apply to government entities. Homeowner Associations and other groups not meeting the definition by Government Code 2252.001 are not exempt.

Alternative Options:

Continue to charge fees to government entities creating an unnecessary burden on public funding of security devices.

Alignment with Goal(s):

- Justice and Safety
- Economic Opportunity
- Housing
- Public Health
- Transportation
- Flooding
- Environment
- Governance and Customer Service
