Request Summary (Agenda Caption):

Request by the Flood Control District for approval to accept an amendment to an agreement with the Texas Water Development Board to increase the award amount by \$2,112,569, for the FY 2020 FEMA Flood Mitigation Assistance Program (Greens Bayou Watershed, Project ID P103-00-00-H001, Precinct 2).

Background and Discussion:

A contract amendment is needed because a more recent appraisal of the property has valued approximately \$2.1M higher than the original estimate. The Real Property Division has reviewed and approved the appraisal and supports the contract amendment.

Expected Impact:

The purchase and demolition of a Severe Repetitive Loss property will remove the structure (a motel) from the floodplain, preventing future flood insurance claims, and allowing the floodplain to function in a more natural

manner.

Alternative Options:

Taking no action would result in not reaching an agreement with the property owner.

Alignment with Goal(s):

- ☐ Justice and Safety
- ☐ Economic Opportunity
- ☐ Housing
- ☐ Public Health
- ☐ Transportation
- ☒ Flooding
- ☐ Environment
