Request Summary (Agenda Caption):

Request for approval of the Order to Abate a Public Nuisance at multiple locations in Precincts 2, 3 and 4 under the Community Development Block Grant for the Neighborhood Nuisance Abatement Program.

Background and Discussion:

As part of the Clean Streets Safe Neighborhoods initiative, the Crime Prevention Through Environmental Design (CPTED) focus area of the Harris County CDBG portfolio identified proactive neighborhood nuisance abatement as a “quick win” for reducing violent crime and increasing quality of life in vulnerable communities. The Neighborhood Nuisance Abatement program is focused on the abatement of unsafe structures in Harris County neighborhoods that pose a health and safety risk to area residents including children.

Expected Impact:

The abatement of the public nuisance will remove public safety and health risks within the community. These

abatements are prioritized based on crime and environmental data.

Alternative Options:

If Commissioners Court chooses not to approve this order, the property will not be abated.
