File #: 21-1121, Version: 1

To: Harris County Commissioners Court

Through: Russell A. Poppe, P.E., Executive Director, Harris County Flood Control District

Prepared By: Matthew K. Zeve, P.E., Deputy Executive Director, Harris County Flood Control District

Subject: ATN with City of Seabrook and Harris County

Project ID (If applicable): F100-00-00-HC001

Purpose and Request:

Authorization to negotiate an interlocal agreement with the City of Seabrook and Harris County to jointly construct drainage and infrastructure improvements for and in relation to the Baybrook and Seascope subdivisions to upsize existing storm sewers and add additional storm sewer outfalls. (Galveston Bay Watershed, Bond ID Z-02, Project ID F100-00-00-HC001, Precinct 2).

Background and Discussion:

As part of the subdivision drainage improvement projects, the Flood Control District, the Harris County Engineering Department, and the City of Seabrook are proposing to design and construct major storm sewer improvements. The proposed project will improve drainage in the Baybrook and Seascope subdivisions. The City will maintain the new storm sewers.
