To: Harris County Commissioners Court

Through: Russell A. Poppe, P.E., Executive Director, Harris County Flood Control District

Prepared By: Matthew K. Zeve, P.E., Deputy Executive Director, Harris County Flood Control District

Subject: Amendment No. 2 to Agreement with ESE Partners, LLC

Project ID (If applicable): N/A

Purpose and Request:

Recommendation for authorization to execute amendment No. 2 in the additional amount of \$200,000 to a professional services agreement with ESE Partners, LLC for countywide on-call environmental consulting and related services as may be needed in support of the District's capital improvement, operations and maintenance programs. (Agreement No. 2020-135, Countywide).

Background and Discussion:

The Flood Control District uses on-call environmental services contracts for a variety of projects including soil testing for desilting projects, Phase 1 environmental site assessments, wetland delineations, and preparing permit applications. This on-call contract is for use Countywide and will support maintenance projects.

Alternatives:

The alternative to this agreement being approved is that we will need to seek another consultant for the work to be performed which will cause delays in this important effort.

Alignment with Strategic Objective:

SO4.4 - Reducing flooding risks across Harris County by continuing to improve the maintenance and performance of District facilities which includes infrastructure repair management sediment removal projects.
