Alternatives:

The alternative to this agreement being approved is that we will need to seek another consultant for the work to be performed which will cause delays in this important effort

Alignment with Strategic Objective:

SO1.1 Continuously plan CIP projects to improve conveyance capabilities of Harris County through addition of assets to FCD infrastructure and improving existing assets within FCD's existing infrastructure. SO2.1 Reducing flooding risks across Harris County by completing projects in the 2018 Harris County Flood Control District Bond Program by 2030.
