### Purpose and Request:

Request by Community Services for authorization to accept from the U.S. Department of Housing and Urban Development revised Entitlement Funding Allocations for Fiscal Year 2021 in the additional amount of \$210,030.

### Background and Discussion:

In accordance with 24 CFR Part 91, the Consolidated Planning regulation, the U.S. Department of Housing and Urban Development (HUD) requires that all participating jurisdictions have a long-range Consolidated Plan and all participating jurisdictions must provide an annual update to the Consolidated Plan. This one- year plan (Annual Action Plan) must explain how the jurisdiction will address its service area residents' needs, community revitalization efforts, and the goals and objectives of the Consolidated Plan over the next program year (PY2021) for Harris County's Entitlement Grants for the CDBG, ESG and HOME programs.

### Fiscal Impact:

The re-submission of the PY2021 Annual Action Plan in IDIS to HUD by June 25, 2021 will allow HUD to review the PY2021 Annual Action Plan with the corrected allocation amounts. Upon approval, HUD will issue grant agreements for PY2021 CDBG, ESG and HOME programs estimated to total \$20,285,924.
