Request for approval to execute an agreement with Asakura Robinson Company, LLC in the amount of \$226,266.00 for Professional Engineering Services to provide a Parks and Trails Analysis, UPIN 20102MF1FZ02, Precinct 2, MWDBE Contracted Goal 100%.

**Background and Discussion:**

The Harris County Precinct 2 Parks and Trails Plan was recently developed in 2019 to guide the Precinct on parks and trails planning. Developed with the community and key stakeholders, the plan outlines a long-term vision and near-term plan for priority investments in parks and trails.

This year the precincts within Harris County went through a redistricting process. The result of this has changed the boundary of Precinct 2 to encompass parts of what was previously Precinct 1. Due to this boundary adjustment, the Precinct is requesting to expand the Parks and Trails Plan to cover this new territory.

**Expected Impact:**

The updated Parks and Trails Plan will incorporate parks and trails previously in Precinct 1 and now in Precinct 2 due to redistricting. This plan will be all encompassing and allow the Precinct to plan accordingly and take action specific to Parks and Trails serving the community.

**Alternative Options:**

If the updates to plan are not complete, the current Precinct 2 Parks and Trails Plan is not inclusive of all parks and trails within the Precinct and could potentially cause the parks and/or trails to lose priority in implementation efforts. This would negatively impact the safety and needs of Precinct.
