Request Summary (Agenda Caption):

Request by the Office of the Purchasing Agent for approval of a renewal option with Landscape Consultants of Texas dba Landscape Professionals of Texas; DL Glover Clearing, LLC - waiver; and Houston Spraying & Supply, Inc. dba Sprayco for mowing and abatement for Public Health Services for the period of May 15, 2024 - May 14, 2025, at a cost of \$510,033, and for the County Clerk to execute any applicable bonds to be received, and that the court grant a waiver of technicality for the indicated vendor(s) which owed County taxes when the renewal was processed (230047), Justification for 0% MWDBE Participation Goal: 0% - Non-Divisible.

Background and Discussion: As part of the Clean Streets Safe Neighborhoods initiative, the Crime Prevention Through Environmental Design (CPTED) focus area of the Harris County ARPA portfolio identified proactive neighborhood nuisance abatement as a “quick win” for reducing violent crime and increasing quality of life in vulnerable communities. The Neighborhood Nuisance Abatement program is focused on the abatement of unsafe structures in Harris County neighborhoods that pose a health and safety risk to area residents including children. Public Health requested services for the renewal of the RNDI Companies, Inc. contract.

Expected Impact:

Public Health will have continued access to acquire the services of RNDI Companies, Inc. for the abatement of public nuisances and will remove public safety and health risks within the community in the process.

Alternative Options:

Public Health would have to rebid the project for the Neighborhood Nuisance Program.
